FRITZ-LAMPERT-AWARD ANNOUNCEMENT 2010

In the year 2010 the "**Fritz-Lampert-Award**" shall be granted at the winter symposium of **GPOH** (Society for paediatric oncology and haematology) in November 2010. Awarded shall be scientific work which has been published or has been completed as a manuscript in the year 2009 from clinic or laboratory. Several authors of one work can apply. A presentation of the laureate's work and its results is affiliated to the awarding ceremony in Frankfurt.

The candidates should be working at an institution in the German- or Russian-speaking area.

The applications including curriculum vitae and the accordant work in quintuplicate in German or English language shall be addressed until May the 31st 2010 to:
